

Fast Facts

Nature's OwnTM Triple Strength Garlic + C, Horseradish Fenugreek & Marshmallow

0738: 100 Tablets • 0739: 60 Tablets

Needs:

An alternative to over the counter allergy medication
A convenient way to help relieve cold and allergy symptoms

Features:

Provides antibacterial/antifungal properties
Contains Vitamin C to help reduce the severity and duration of the symptoms of colds, and relieve the symptoms of hayfever, allergies and rhinitis

Recommended adult dosage:

Take one tablet twice daily with food or as advised by your healthcare professional

Benefits:

Relief of mucous congestion and allergic symptoms
May assist in the management of upper respiratory tract infections
May help to relieve symptoms of sinusitis

Did You Know That...

- Hayfever is a form of allergic rhinitis and is generally seasonal
- Horseradish is used in traditional western herbal medicine to assist circulation, aid digestion and relieve mucous congestion
- Garlic is used to help maintain the immune system health and has antibacterial and antifungal properties

Customer Profile:

- This customer may want relief from hayfever, rhinitis and common cold symptoms such as a runny nose, sneezing and congestion
- Another customer may be allergy prone to environmental factors such as pollen, dust, weather changes and want allergy symptom reduction support

Complementary Companions:

- Nature's OwnTM Echinacea 2500 (0704) to help enhance the immune system

- Nature's OwnTM Amino Acid Chelated Zinc (0398/0399) for added immune support
- Cold medications
